GSTF Business Intelligence Asia Pacific Summit & Awards 2012 – S

Thu 13.09 - Fri 14.09.2012

Place:	Marina Bay Sands® Singapore
Category:	2012-2013
Additional Information:	

The GSTF Business Intelligence Asia Pacific Summit & Awards 2012 is an international gathering of industry experts, academicians, researchers and professionals in the art and science of business intelligence.

The Summit is a premier event to share best practices, innovative strategies, research and industry developments in the Business Intelligence (BI) space. It aims to encourage wider adoption of BI best practices by pushing for deeper understanding of relevant tools, technology and implementation strategies for BI; and, by providing practical advice and resources to facilitate better decision-making for sustainable business planning. The event is tailored to meet the needs of BI experts and researchers alike by focusing on providing dynamic learning experiences in current BI practices. The Summit is also an opportunity to build new and lasting relationships with like minded peers, while interacting with experts who will share their perspective on emerging trends in business intelligence and data warehousing. The GSTF BI APAC Excellence Awards will honor the organizations that have applied BI tools and techniques innovatively.

The Organizing Committee Chair is **Professor Andy Koronios** (Head of School of Computer & Information Science, University of South Australia and a board member of Global Science & Technology Forum), the Co-Chair is
